Rocky's Email Address ...

I now have my very own email address. So, if you want to subscribe to *The Rocky Report* or send an email, my address is RockyTheRocket@blackfoot.net.

Since my paws are really big it's difficult to use my master's computer keyboard, so my master has agreed to be my Personal Secretary. Boy oh boy, I need to give my master a treat. He'll do just about anything for pizza!

Update On The 4 Season Sun Porch ...

For those of you who received Issue No 2, this is where I like to

sun on the back porch. My master

is going to extend the porch where the grass is when the 4 Season Porch is built. There will be a 4 foot wide by 6 feet long sun deck with steps to the back yard.

Bow wOw! Four paws UP!

Bayard Nominated For Most Dedicated Hound of The Year Award ...

I nominated Bayard, from the movie "Alice In Wonderland," for The Most Dedicated Hound of the

Year Award. He braved the Red Queen to help save Alice and Wonderland. With enduring strength and dedication he transcended every obstacle to reunite his family. What a hound!!! And it's all in the family if you get my drift.

A New Water Bowl ...

My master put his thinking cap on the other day. He decided to get a smaller drinking bowl for me. Why you ask? Well, my ears are 10 inches

long and I couldn't keep my ears out of the water. Now, with the smaller water bowl, my ears don't get wet.

Philipsburg Mail Does Not Respond to My Email ...

I emailed the Manager of the Philipsburg Mail, a local paper, thinking they might like to publish an article about my newsletter. I can't think of any better news, given the condition of the world these days, than a Basset Hound publishing his very own newsletter. Maybe a write in campaign might change her mind?
